A CHILD'S PLACE

Mini-Skool also services other ages from 3 months to 6 years. Before and after school 6-12 years of age.

At Mini-Skool we create Laughter, Love and Learning by providing quality child care for today's families and tomorrow's futures.

Mission Statement

Mini-Skool understands that every child is his or her own 'unique' person. In respecting this we provide a safe environment in which each child can discover, in their own way, the magic of learning and the joy of growing up. We intend to make Mini-Skool your child's special home away from home.

What is Summer Club?

Summer Club is an exclusive club which invites children between 6-12 years of age to experience and participate in a variety of action packed bi-weekly themes. These themes are designed to entertain and stimulate each Club Member's individual interests and needs.

Why is Summer Club special?

Licensed

Unlike most summer programs, Mini-Skool Summer Club creates a 'camp' like atmosphere while maintaining a safe and fully licensed setting.

Club Leaders

Qualified Early Childhood Educators oversee the Summer Club and are actively involved in ongoing workshops to create the very best activities possible.

Bi-Weekly Themes

Summer Club offers its members the option of attending any or all of our four exciting bi-weekly themes.

Surveys

At the end of each Summer Club theme, children are encouraged to complete a survey which allows for feedback and input into future Summer Club planning.

Meals

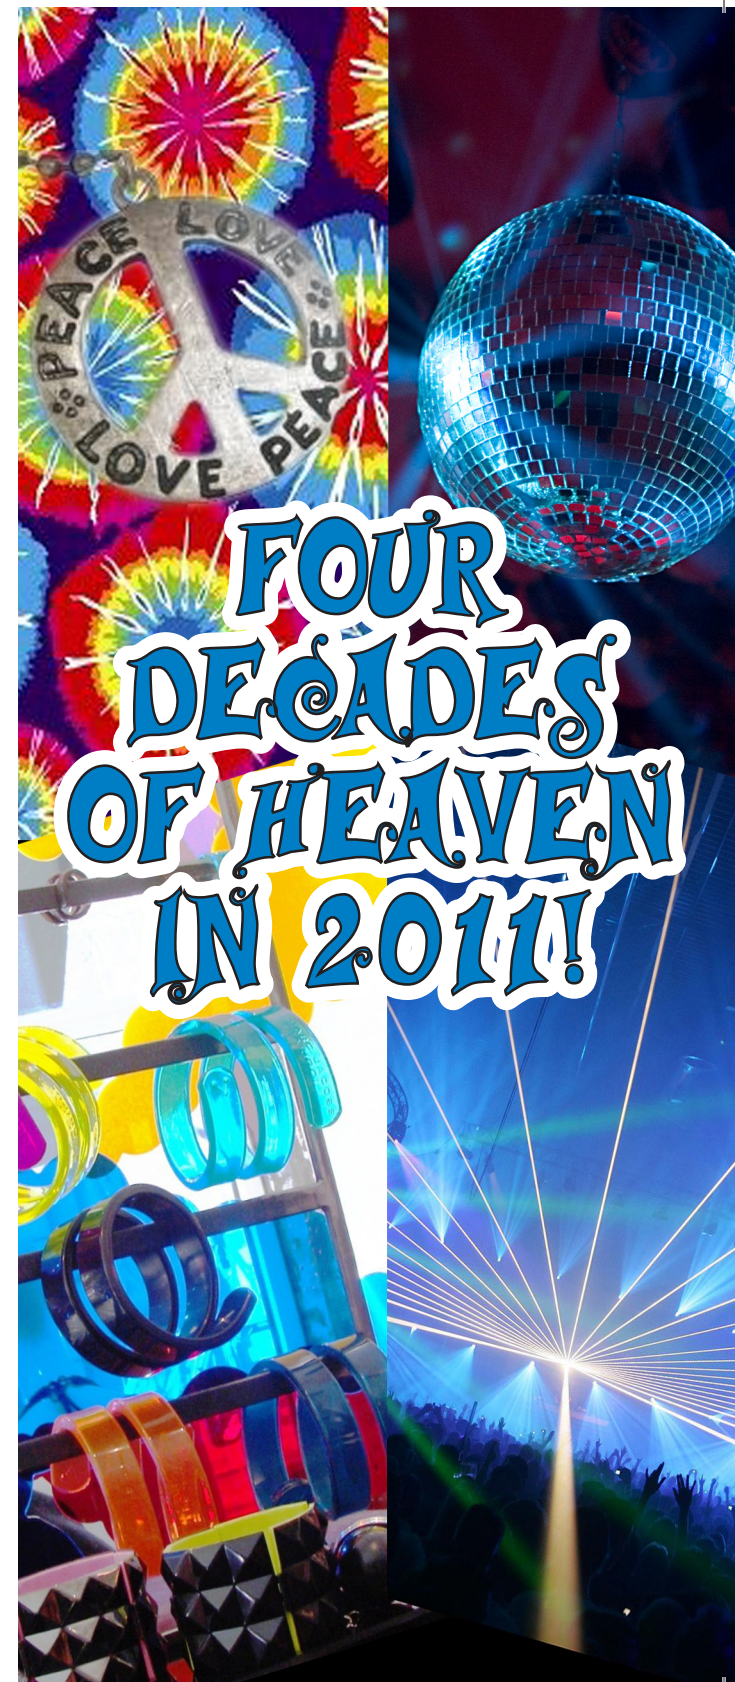

At no additional cost, Club Members will be invited to help themselves to a morning and afternoon snack available at the SNACK STATION. When 'on site' at the Club House a nutritious cooked lunch with dessert will be served. When out on field trips Club Members will receive a picnic style lunch.

Awards

At the end of your child's participation he or she will receive a certificate of completion to conclude a wonderful time spent at Summer Club.

EXTENDED HOURS

Summer Club operates between 7:00 am and 6:00 pm daily. These hours allow Club Members to benefit from a 'full' day of fun and parents have additional flexibility in planning their busy schedules. Some locations have longer hours to serve you.
