At Mini-Skool we create Laughter, Love and Learning by providing quality child care for today's families and tomorrow's future.

Mission Statement

Mini-Skool understands that every child is his or her own 'unique' person. In respecting this we provide a safe environment in which each child can discover, in their own way, the magic of learning and the joy of growing up. We intend to make Mini-Skool your child's special home away from home.

What is Summer club?

Summer Club is an exclusive club which invites children between 4-12 years of age to experience a variety of activities and interact with peers in a productive way. Our educators take the time to bond and observe the children to identify their interests.

Why is Summer club special?

Licensed

Unlike most summer programs, Mini-Skool Summer Club creates a 'camp' like atmosphere while maintaining a safe and fully licensed setting.

Club Leaders

Qualified Early Childhood Educators oversee the Summer Club and are actively involved in ongoing workshops to create an environment that promotes a sense of belonging, well-being, engagement and expression.

Surveys

At the end of each Summer, children are encouraged to complete a survey which allows for feedback and input into future Summer Club planning.

Meals

At no additional cost, Club Members will be invited to help themselves to a morning and afternoon snack available at the SNACK STATION. When out on field trips Club Members will receive a picnic style lunch.

Token of Appreciation

Your child will receive a small token of our appreciation for choosing Mini-Skool Summer Club.

EXTENDED HOURS

Summer Club operates between 7:00am and 6:00pm daily.

These hours allow Club Members to benefit from a 'full' day of fun and parents have additional flexibility in planning their busy schedules. Some locations have longer hours to serve you.
